COPYRIGHT TRANSFER FORM

Scientific publishers and authors share a common interest in the protection of copyright: the authors to protect their creative works of plagiarism or illegal uses, publishers who need to protect their work and investment in production, marketing and distribution of publications written by the author. To formalize this, publishers need a written transfer of copyright (s) of author (s) for each article published. We therefore ask to complete and return this form promptly, retaining a copy for your records. Your cooperation in this matter is essential and appreciated.
